Early Childhood Education Program - UIUC - College of Education – School and Community Experiences, CI 421

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1	2	3	4	5	6
7	<p>Unless noted otherwise, ECE Students are in Placement Monday-Friday for a four-hour block, starting no later than 8, ending no later than noon. Start time should coordinate with school schedule, allowing enough time for morning preparation prior to the children arriving. All absences must be made up in 4-hour blocks with your placement students. If you are in a half-day program, you may not make up your time with a different group of students that come in the afternoon. You'll have opportunities to make up absences in Thanksgiving week and finals week.</p>

OCTOBER 2016

Early Childhood Education Program - UIUC - College of Education – School and Community Experiences, CI 421

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>You will have the opportunity to practice the edTPA process this month by planning a three part lesson sequence, implementing and filming a portion of this implementation, assessing the progress of the children, then providing feedback/taking next steps with the children (a portion of this may be filmed as well). The lesson sequence <i>will not</i> be one of your 4 observations but will be taught by you (at least one of the three lessons by you, your co-op can also teach part of the lesson sequence). Consider the due dates of each commentary so you can teach and film this lesson during this two-week midterm break from observations.</p>						1
