10 courses/ 25 hours

- ▶ Math 103 is a prerequisite for CI 430. Students must enroll in Math 103 for the Fall term of year I **if** this course has not been successfully completed.
- ▶ Field placement assignments will be distributed during scheduled CI 405 class time. Students must allow a 4 hour block of time in their schedule, once a week, to accommodate placement in local schools.
- ▶ A field placement will take place during the spring, tied to CI 475. Placements will take place on Fridays during the semester and during a four-week block after spring break, Monday through Friday.
- ▶ There is room for additional courses outside the professional education coursework (limited to times around core courses) as follows:
 - Year I Fall - 2 courses
 - Year I Spring - 1 course
 - Year II Fall - 2 courses
 - If more than that is needed, summer school needs to be considered since there is no room in YEAR II for any additional coursework.
- ▶ Teacher candidates must earn grades of C or higher in all required professional education courses in Year I to be eligible to continue into Year II.
