Do you enjoy helping things grow, exploring the world around you, and making new friends?

University Primary School Summer Camp is a place for you!

University Primary School (UPS) will offer summer camp Monday-Friday, 8:45 a.m.-1:00 p.m. June 9–13 and June 16–20 for children ages 3–12 years old. Campers need not attend UPS during the regular school year to attend summer camp; campers may sign up for 1 or 2 weeks. Camp experiences for the 3-7 year old group will primarily occur in the school yard gardens and playground where campers will spend time working with plants, soil, and new friends. Camp experiences for the 7-12 year old group will include art projects and exploration in sciences. Both groups will have indoor time each day to “cool off” with inside activities including literacy time. Lunch will be brought from home each day, with additional snack items picked from the garden and provided by the camp. Each group will be lead by a certified teacher and one or more teaching assistants. At least 2 spaces will be held in each group for campers with disabilities.

Families should sign up by: MAY 16th when camp fees for week 1 and/or 2 are due. If you decide to try the first week of camp and sign up for the second week, that may be an option depending on available space. Please contact the UPS director Ali Lewis alilewis@illinois.edu for questions regarding camp and Christine Wyant at cwyant@illinois.edu for questions about camp registration. You can also call the school at 217-333-3996.

Applications for Preschool-5th Grades are being accepted for the 2014-15 school year. Details can be found on our school website: http://education.illinois.edu/ups/
